The business was founded in February 2005 as GiftBasketNetwork and is a division of Creative Gifts to Go LLC. The resources and tools available for our gift basket company members include a world-wide gift company directory, resource website, online Facebook groups, E-books, and the monthly magazine *Gift Basket Network Insider*.

We could list a long list of benefits but we prefer to let our readers and members speak for us.

Since finding the GiftBasketNetworkInsider, I have found many useful ideas and thoughts on how to improve my business. Even though we are based in New Zealand, I have still found many relevant gift ideas and really helpful suggestions for marketing my business, networking, blogging tips and general business requirements from being a member of GiftBasketBusinessInsider. Your genuine ongoing willingness to share and to help other gift businesses is really impressive.
